

*Boiler Safety: The Actions of Few,
the Lives of Many*
Chattanooga 2006

Tennessee Boiler Inspectors Fall Conference

Sheraton Read House Hotel Chattanooga, TN September 19 – 21, 2006

Hello,

The Boiler Inspection Division of the Tennessee Department of Labor & Workforce Development is proud to announce the 4th Annual Tennessee Boiler Inspectors Fall Conference. As with last year's conference, following the conference reception on the evening of the 19th, the meetings and training sessions on the 20th & 21st has been opened to members of industry. We are looking forward to individuals from various insurance, repair, manufacturing and operation companies to be attending the conference.

The agenda for Wednesday and Thursday will be filled with meetings and training beneficial to all in attendance. Starting off on Wednesday, everyone will have the opportunity to attend the quarterly meeting of the Tennessee Board of Boiler Rules, followed by training that will be conducted with the National Board of Boiler & Pressure Vessel Inspectors and the Materials Technology Center of Alstom Power. Training will continue Thursday morning with more training covering the inspection and operation of boilers and pressure vessels.

This year's conference will be held at the historic Sheraton Read House Hotel located in the heart of downtown Chattanooga. The Read House will be holding a number of rooms under the conference name (*TN Boiler Inspectors Fall Conference*). For your convenience, below you will find the contact information for the hotel. Also to the right you will notice a tentative agenda of the conference meetings and training sessions.

The theme of this year's conference is: *"Boiler Safety: The Actions of Few, The Lives of Many"*. Let's all get together again and have another successful conference promoting boiler and pressure vessel safety here in Tennessee. I hope to see you in September.

Sincerely,

Martin R. Toth
Chief Boiler Inspector
